

FLOOR UNDERLAYMENT

Paradise[®] Wool

Paradise[®] Wool is a naturally resilient floor underlayment comprised of 100% Sheep's wool. Treated with an anti-microbial agent to prevent mold, fungus, and bacterial growth, **Paradise[®] Wool** is specifically designed for use with hardwood, engineered and laminate flooring. **Paradise[®] Wool** can also be used under carpeting and accent rugs to reduce reverberation in noisy environments while providing comfort and durability.

Features:

- Reduces footfall and impact noise
- Reduces reverberation when placed beneath carpet or area rugs
- Environmentally friendly, made from a rapidly renewable resource
- Quick and convenient installation

Applications:

- Residential
- Condominium
- Multi-family dwellings
- Hardwood, engineered, and laminate flooring
- Carpet and area rugs

Technical Properties:

Roll Size:	3' x 34'
Thickness:	1/8"
Moisture Prevention:	3 mil Polypropylene film
R-Value:	0.65 (approved for radiant heating)
